

Friends of Loomis Library News & Updates

Thanks to everyone who attended the Meet-n-Greet last week with the library consultant, Karen Bosch Cobb. We are thrilled to be working with her! Her vast experience as a county library director, running successful campaign measures, and consulting with large and small organizations will serve us well. We are looking forward to the work we'll accomplish together in the coming months. We hope many of you will take an active role in this effort!

TOWN COUNCIL MEETING JUNE 14TH, 7:30pm Train Depot: 5775 Horseshoe Bar Road, Loomis

Please attend this very important meeting. The Town Manager, Town Council, and representatives of the community have worked hard the past year and a half to come up with a solution to the Placer County Library Consolidation Plan which calls for closure of the Loomis branch.

Last month, the council voted unanimously in support to place a tax measure on the November ballot so Loomis voters can decide the fate of the library. A second reading is required for the ordinance to be approved. Additional staff recommendations include local control of The Loomis Library and Community Learning Center, and negotiations for a lease agreement to the current building facility is underway.

Please support the town manager and council members for the work they're doing on behalf of the community by attending this meeting.
