

# Thank you

---

## Words can't describe how grateful we are...

Last night the Depot was packed. It was standing room only with overflow into the back room. The council provided speakers and opened windows so folks outside could participate in the Town Council meeting.

The love and support was overwhelming. Others who couldn't attend sent in letters of support and offers of assistance. It was truly touching to see how many people in the community love the Loomis Library.

Parents, children, millennials and mature adults – it was a diverse crowd which reflects what libraries do....**support a lifetime of learning for all ages.**

Big thanks to Rick Angelocci, the Town Manager, who's been helping the past year. We also appreciate the council members for listening and responding to the requests of the Loomis people. They voted unanimously in favor of the first reading for a 1/4 cent transaction and use tax measure to be placed on the November ballot. In order for this ordinance to be approved, it needs to pass a second reading with 4 out of 5 votes so please mark your calendar for **June 14th** and attend the next meeting.

Thanks again to EVERYONE for your support of the Loomis Library.

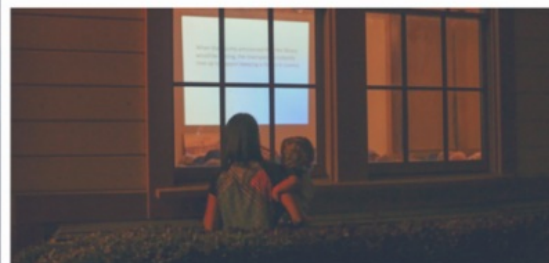

**Libraries Build Communities** and we are grateful to be part of this amazing Town! (And shout out to Dr. Baldonado for taking these amazing pics!)
